Modern goods & resources to style your life by Grace

Hey friend!

Thanks for downloading this freebie. This *Christmas Checklist* is for you to jot down all the special checklists you want to check off this holiday season. There's six different checklists ranging from categories like playlists to groceries.

Directions: scroll down to the next page and print the checklist on a 8.5" X 11" sheet of paper. I recommend using heavy card stock paper for sturdiness. And for a more precise line, use an exacto knife and ruler to cut along the border.
